Gayle Laws

Via email: gayle.laws@rogers.com

Dear Gayle,

Thank you for participating in the food drive at the Lakeside Dog Park during the Christmas season. The food collected will go a long way to feed & assist so many people in need in our own community.

The Compass is a Food Bank and Outreach Centre that services all of south Mississauga. Our mission is to help those from all walks of life who are currently experiencing economic, social or emotional challenges by offering practical and spiritual support. We were founded in 2002 and currently are supported by 18 churches in the Clarkson / Lorne Park / Port Credit community. In addition to our food bank we also offer 13 additional programs and services on site. Our food bank feeds over 300 families each month! Our programs are designed to meet the needs of the poor and help to address the root causes of poverty.

Your generosity is much appreciated.

Sincerely,

Trish Trapani
Market Manager – The Compass
